

I. Write down the names of Scratch components in the blank boxes.

The screenshot shows the Scratch Desktop interface. Red arrows point from various components to blank boxes for labeling:

- Arrows point to the top menu bar (File, Edit, Tutorials, Scratch Project).
- Arrows point to the top toolbar (Scratch logo, globe, play, stop, delete).
- Arrows point to the left sidebar (Code, Costumes, Sounds).
- Arrows point to the code editor area.
- Arrows point to the stage area.
- Arrows point to the sprite area (Sprite 1, x: 0, y: 0, Show, Size, Direction).
- Arrows point to the bottom toolbar (New, Open, Save, Print, Help).

II. Help Ashish to write down names of Extensions available in Scratch 3.0 version.

Ashish is thinking about the names of Scratch extensions. The extensions are listed in the following boxes:

-
-
-
-
-
-
-
-
-
