

I. Help Ishi to write down names of components of the opening PowerPoint Screen.

The screenshot shows the Microsoft PowerPoint interface. A red box highlights the ribbon area, and six empty boxes with dotted lines are positioned above it. Red arrows point from these boxes to the following components: the ribbon tabs (File, Home, Insert, Design, Transitions, Animations, Slide Show, Review, View), the ribbon groups (Clipboard, Slides, Font, Paragraph, Drawing, Editing), the title placeholder (Click to add title), and the subtitle placeholder (Click to add subtitle). The main slide area contains a title placeholder and a subtitle placeholder. The status bar at the bottom shows 'Slide 1 of 1', 'English (United Kingdom)', 'Presentation1 - PowerPoint', and '73%' zoom.

II. Help James to write down the names of components of the Content Placeholder.

The diagram shows a content placeholder with a red border. It contains a title placeholder (Click to add title) and a text placeholder (Click to add text). A central area contains icons for inserting tables, charts, images, and videos. Three empty boxes with dotted lines are positioned above and below the placeholder. Red arrows point from these boxes to the title placeholder, the text placeholder, and the central icon area.

III. Help Marisa to fill in the blanks boxes with correct termed Slide Layout type.
